

# **Africa inspired necklace**

**(Project of the month)**

**May, 2007**

The authors of the patterns in this file are the moderators of the Magic Jewellery Box

This is our second “Project of the month”.

We create a jewellery design in a style of a chosen country. Africa is the land of this month.

How do we imagine an “African necklace”? Evidently, we have very different pictures in our minds. Our projects are very different even if we thought of the same country of our inspiration.

Here you can see the results of our little designing game.
